Important Up-coming Events

- ❖ There will be no school on Monday, January 18th due to an In-Service day.

Program Updates

Campbell's Soup Labels & Box Tops for Education

A continued thank you to all students, families and friends for sending in Box Tops and Campbell's Labels! We are doing very well for our first year collecting. By the end of school this year, we should have enough points from each program to be able to purchase an item to help our students on their road to success!

Please remember to keep cutting out and sending in those Labels and Coupons! The more we collect, the more we can get for our school!

Way to go!!!

Holiday Play

Thank you to all of the families that came to support our students in our first ever holiday play! The students did a WONDERFUL job, we are so proud of them!!!

Santa's Workshop

On December 21, 22, and 23rd the New Story participated in our first ever "Santa's Workshop" and had the opportunity to purchase small items for their family members. The event was a major hit with the students and we would like to thank all of those who participated!

Winter weather is here, please be sure to read over your student handbook for policies and procedures for school delays and closings!

New Story

New Name, New Story

If you were unable to attend the holiday play back in December, you may not be aware that Milestones Achievement Center has changed its name to New Story.

We decided to change our name to better reflect what we do here as a school, which is helping students to write a new story for themselves, a better story than before. We strive to encourage growth and development for a new story, a better story for our children.

A Charitable Contribution

New Story students and staff participated in the AGAPE Center coat drive in December and we were able to donate over 15 coats! This was a wonderful cause and learning experience for all of those involved. If you have any ideas for charitable events that we could participate in, please write them down and send them in to your child's teacher. We are always looking for ways to encourage our students to take part in their communities!
