

NEW YEAR... ..NEW STORY

Most of you are aware that in December we had a name change. It was officially announced at our Holiday Program held by our students at our Indiana School. Milestones Achievement Center is now known as New Story. What a better way to start the new year with a New Story for all of our employees, students, and families. We hope that with the new year comes success and victory!

Let's make it our New Years resolution to strive to be the best that we can be!

SURPRISE VISITS... ..

On Tuesday, December 22nd all the students were excited to receive a visit from Santa himself. They sang Christmas carols, had their picture taken with the big guy, and received a special present from their Christmas list for being good students. The morning was filled with laughter and joy for everyone involved.

Another Christmas event that was a huge success was our Holiday Program held on December 10th. The Program was entitled Christmas Around the World. The students did a wonderful job and the parents received a "story" created by the students that highlighted their 'new story',
