

Harrisburg staff and students show their giving hearts during the holiday season! 

New Story Giving Tree

New Story staff, parents, and students donated new or slightly used hats, mittens, gloves and scarves to be donated to the Harrisburg YWCA Emergency Domestic Violence Shelter and Homeless Shelter.

All the donated items were hung on a holiday tree. Donations were so plentiful that the winter wear had to be moved to a bigger tree!!!

New Story students will be hand delivering the donated items when they return from winter break!

Thank you to all who donated and a very special thanks to teacher Caroline Loy for organizing such an incredible act of generosity.
